

Access And Equity

Convenience

- **Q:** Blue188

The debate centers around the preference between reading paper books and electronic books, exploring the advantages and disadvantages of each format.

- **Side:** Electronic Books
- **Topic Sentence:** Electronic books offer convenience and portability.
- **Developing:** With e-readers or apps, users can carry an entire library in their pocket, making reading accessible anywhere.
- **Rephrase:** E-books provide easy access to a vast library on the go.
- **Collocations:** convenience, portability, accessible reading

- **Q:** Neo-S50

The debate centers around choosing between two apartments: one that is expensive but close to campus, and another that is affordable but farther away.

- **Side:** Proximity to Campus
- **Topic Sentence:** Living close to campus enhances convenience.
- **Developing:** Being within walking distance allows for easy access to classes and campus activities, saving time and transportation costs.
- **Rephrase:** Residing near campus offers significant convenience.
- **Collocations:** walking distance, easy access, time-saving

- **Q:** Blue76

The question discusses the preference between two apartments: one near campus but more expensive, and one farther away but cheaper.

- **Side:** Proximity to Campus
- **Topic Sentence:** Living near campus enhances convenience for students.
- **Developing:** This proximity allows for easier access to classes and campus facilities, saving time and transportation costs.
- **Rephrase:** Being close to campus simplifies daily routines.
- **Collocations:** easy access, time-saving, transportation costs

- **Q:** Neo-S68

The debate centers around whether shopping at specialty shops or supermarkets is the better option for grocery shopping.

- **Side:** Supermarkets
 - **Topic Sentence:** Supermarkets provide convenience by offering a wide variety of products.
 - **Developing:** Customers can find everything they need in one location, saving time and effort.
 - **Rephrase:** Supermarkets are convenient as they stock a diverse range of items.
 - **Collocations:** one-stop shopping, time-saving, variety of products
-

Information Access

- **Q:** Blue184

The question examines the significance of the Internet in daily life and whether one agrees or disagrees with its importance.

- **Side:** Agree with the Importance of the Internet
- **Topic Sentence:** The Internet provides access to a wealth of information.
- **Developing:** Users can easily find resources for education, research, and personal interests, making learning more accessible.
- **Rephrase:** Access to information is greatly improved by the Internet.
- **Collocations:** information access, educational resources, research tools

- **Q:** Neo-W76

The debate centers around whether consumers should rely on advice from friends and family or seek information from online sources when making purchasing decisions.

- **Side:** Information from Online Sources
- **Topic Sentence:** Online sources offer a vast array of information quickly and efficiently.
- **Developing:** Consumers can access reviews, comparisons, and expert opinions all in one place, making it easier to make informed decisions.
- **Rephrase:** The internet provides extensive information at a rapid pace.
- **Collocations:** vast information, expert opinions, quick access

- **Q:** Blue163

The question explores whether cell phones have significantly impacted our lives, prompting a discussion on both positive and negative effects.

- **Side:** Positive Impact of Cell Phones
 - **Topic Sentence:** Cell phones provide access to vast information.
 - **Developing:** With the internet at our fingertips, we can easily obtain knowledge and resources for various purposes.
 - **Rephrase:** Mobile phones enable us to access a wealth of information quickly.
 - **Collocations:** information access, knowledge resources, online learning, digital tools
-

Digital Resources

- **Q:** Blue204

The debate centers around the university's decision to release textbooks only in an online format instead of traditional paper versions.

- **Side:** Advantages of Online Textbooks
- **Topic Sentence:** Online textbooks are more accessible for students.
- **Developing:** Students can access materials from anywhere with an internet connection, making learning more flexible.
- **Rephrase:** Digital textbooks provide greater accessibility for learners.
- **Collocations:** online access, flexible learning, digital resources

- **Q:** Blue111

The debate centers around whether libraries will become obsolete due to technological advancements and the Internet, or if they will continue to be essential resources.

- **Side:** Libraries Will Disappear
 - **Topic Sentence:** The rise of digital resources makes libraries less relevant.
 - **Developing:** With the availability of e-books and online databases, many people find they can access information without visiting a library.
 - **Rephrase:** Digital resources reduce the need for physical libraries.
 - **Collocations:** digital resources, online databases, e-books
-

Essential Services

- **Q:** Neo-W59

The debate centers around the best use of available urban space, weighing the benefits of green spaces against the necessity of commercial and industrial developments.

- **Side:** Commercial and Industrial Use
 - **Topic Sentence:** Prioritizing essential services like hospitals is critical for urban survival.
 - **Developing:** Access to medical care is a necessity that cannot be compromised for recreational spaces.
 - **Rephrase:** Healthcare facilities are vital for the well-being of urban populations.
 - **Collocations:** essential services, medical care, urban survival
-

Access Issues

- **Q:** Neo-S66

The statement suggests that students who engage in regular physical activity and exercise are more likely to achieve academic success.

- **Side:** Counterarguments Against Physical Activity
 - **Topic Sentence:** Not all students have the same access to physical activity.
 - **Developing:** Some students may face barriers such as lack of facilities or time constraints, which can affect their ability to exercise regularly.
 - **Rephrase:** Access to exercise varies among students.
 - **Collocations:** access issues, facility availability, time constraints
-

Accessibility

- **Q:** Blue170

The debate centers around the preference for live music experiences versus the convenience of recorded music.

- **Side:** Recorded Music Convenience
- **Topic Sentence:** Recorded music offers accessibility and convenience.

- **Developing:** Listeners can enjoy their favorite songs anytime and anywhere without the need for travel.
 - **Rephrase:** The convenience of recorded music allows for flexible listening options.
 - **Collocations:** on-demand access, personal playlist, music streaming
-

Affordable Fashion

- **Q:** Blue31

The discussion addresses whether individuals should consistently wear fashionable clothes.

- **Side:** Disagree
 - **Topic Sentence:** Fashionable clothes can be expensive and not accessible to everyone.
 - **Developing:** Some individuals may not have the financial means to constantly update their wardrobe with trendy items.
 - **Rephrase:** Trendy clothes can be financially inaccessible.
 - **Collocations:** expensive clothes, financial means, affordable fashion, wardrobe update
-

Affordable Options

- **Q:** Blue69

The university plans to raise the prices of junk food to generate revenue for expanding healthy food options. The question is whether this approach is agreeable or not.

- **Side:** Opposition to Price Increase
 - **Topic Sentence:** Raising junk food prices may disproportionately affect low-income students.
 - **Developing:** Higher costs could limit access to affordable food options for those who are already struggling financially.
 - **Rephrase:** Increased prices could harm students with limited financial resources.
 - **Collocations:** financial burden, low-income students, affordable options
-

Breaking News

- **Q:** Neo-S16

The debate centers around whether newspapers provide a better source of information about current news events compared to television.

- **Side:** Television
 - **Topic Sentence:** Television provides immediate access to breaking news.
 - **Developing:** Viewers can receive real-time updates and visuals that enhance their understanding of events.
 - **Rephrase:** Television delivers instant news coverage.
 - **Collocations:** immediate access, breaking news, real-time updates
-

Communication

- **Q:** Blue63

The debate centers around whether parents should have access to their children's grades without obtaining their permission first.

- **Side:** Parental Access
 - **Topic Sentence:** Access to grades can foster better communication between parents and children.
 - **Developing:** When parents are informed, they can engage in meaningful discussions about education.
 - **Rephrase:** Knowledge of grades encourages dialogue about academic responsibilities.
 - **Collocations:** open communication, educational discussions, parent-child relationship
-

Community Engagement

- **Q:** Neo-S113

The debate revolves around whether libraries should primarily serve as quiet spaces for reading and studying or as social hubs for interaction and community engagement.

- **Side:** Social Libraries

- **Topic Sentence:** Libraries should foster social interaction to build community.
 - **Developing:** Creating spaces for discussion and collaboration can strengthen community ties.
 - **Rephrase:** Encouraging social engagement can enhance community bonds.
 - **Collocations:** community engagement, social interaction, collaborative spaces
-

Community Space

- **Q:** Blue111

The debate centers around whether libraries will become obsolete due to technological advancements and the Internet, or if they will continue to be essential resources.

- **Side:** Libraries Are Always Necessary
 - **Topic Sentence:** Libraries provide a community space for learning and collaboration.
 - **Developing:** They serve as gathering places for people to study, attend events, and access resources that may not be available online.
 - **Rephrase:** Libraries foster community engagement and learning.
 - **Collocations:** community space, learning, gathering places
-

Consumer Choice

- **Q:** Neo-W3

The debate revolves around whether consumerism is beneficial for individuals and the economy or if it leads to negative consequences such as overconsumption and waste.

- **Side:** Benefits of Consumerism
- **Topic Sentence:** Consumerism provides consumers with a wide array of choices.
- **Developing:** This variety allows individuals to select products that best meet their needs and preferences.
- **Rephrase:** A diverse market enhances consumer options.

- **Collocations:** product variety, consumer choice, individual preferences, market options
-

Cost Barriers

- **Q:** Blue200

The debate centers around whether individuals should be motivated to explore science and art museums.

- **Side:** Opposition to Visiting Museums
 - **Topic Sentence:** Visiting museums can be time-consuming and costly.
 - **Developing:** Entrance fees and travel expenses may deter people from visiting regularly.
 - **Rephrase:** Financial and time commitments can limit museum attendance.
 - **Collocations:** cost barriers, time investment, financial constraints
-

Cost Savings

- **Q:** Blue204

The debate centers around the university's decision to release textbooks only in an online format instead of traditional paper versions.

- **Side:** Advantages of Online Textbooks
 - **Topic Sentence:** Online textbooks are often more cost-effective.
 - **Developing:** Digital versions typically have lower production costs, which can lead to reduced prices for students.
 - **Rephrase:** E-textbooks can be more affordable for students.
 - **Collocations:** cost savings, affordable education, budget-friendly
-

Customer Service

- **Q:** Neo-W70

The debate centers on whether shopping at small local stores is more beneficial for consumers than shopping at superstores.

- **Side:** Local Retailers

- **Topic Sentence:** Shopping at small local stores enhances customer service.
 - **Developing:** Local retailers often provide personalized attention and specialized services that larger stores may not offer.
 - **Rephrase:** Smaller shops deliver tailored customer experiences.
 - **Collocations:** personalized service, customer satisfaction, local expertise
-

Digital Maps

- **Q:** Neo-S94

The debate centers around the preference for using smartphones or navigational devices versus exploring independently and asking for directions while traveling in unfamiliar places.

- **Side:** Using Smartphones
 - **Topic Sentence:** Smartphones provide instant access to maps and information.
 - **Developing:** This allows travelers to navigate efficiently without the risk of getting lost.
 - **Rephrase:** Mobile devices offer immediate navigation assistance.
 - **Collocations:** real-time navigation, digital maps, location services
-

Digital Reading

- **Q:** Neo-W7

The debate centers around the advantages and disadvantages of electronic books compared to traditional books, focusing on aspects like convenience, reading experience, and health implications.

- **Side:** Electronic Books
- **Topic Sentence:** Electronic books offer unparalleled convenience for readers.
- **Developing:** They allow users to carry multiple titles in a single device, making reading accessible anywhere.
- **Rephrase:** The convenience of e-books makes them highly portable and accessible.

- **Collocations:** portable library, easy access, digital reading
-

Inclusive Learning

- **Q:** Neo-W31

The discussion focuses on the significant advantages that museums provide to cities and their residents, particularly in terms of inspiration and community building.

- **Side:** Community Engagement
 - **Topic Sentence:** They offer opportunities for educational programs that unite people.
 - **Developing:** Workshops, lectures, and exhibitions can bring together individuals from diverse backgrounds, enhancing mutual understanding.
 - **Rephrase:** Educational initiatives in museums promote inclusivity and learning.
 - **Collocations:** educational outreach, inclusive learning, cultural exchange
-

Easy Access

- **Q:** Blue203

The debate centers around the preference for living in a noisy area with convenient access to shops and public transportation versus a quiet area that is distant from these amenities.

- **Side:** Noisy but Convenient Area
 - **Topic Sentence:** Living in a noisy area provides easy access to essential services.
 - **Developing:** Proximity to shops and public transportation can significantly enhance daily convenience.
 - **Rephrase:** Being close to necessary amenities makes life easier.
 - **Collocations:** easy access, public transportation, daily convenience
-

Eco-Friendly Transport

- **Q:** Neo-W96

The debate centers around whether suburban governments should remove helmet regulations for cyclists, weighing the benefits of freedom and convenience against safety concerns.

- **Side:** Freedom and Convenience
 - **Topic Sentence:** The absence of mandatory helmet laws may encourage more people to cycle.
 - **Developing:** When cycling becomes less cumbersome, more individuals may opt for this eco-friendly transportation method.
 - **Rephrase:** Lifting helmet requirements can lead to an increase in cycling participation.
 - **Collocations:** increase participation, eco-friendly transport, promote cycling
-

Economic Disparity

- **Q:** Neo-S73

The proposal suggests that car owners should pay an extra fee for vehicles that do not meet the city's environmental standards for air pollution.

- **Side:** Opposition to the Fee
 - **Topic Sentence:** The fee may disproportionately affect low-income families.
 - **Developing:** Many individuals may struggle to afford the additional cost, leading to financial strain.
 - **Rephrase:** This fee could place an unfair burden on economically disadvantaged households.
 - **Collocations:** economic disparity, financial strain, low-income families
-

Education For All

- **Q:** Blue156

The statement argues that college education should be restricted to individuals who have performed well in secondary school, raising questions about fairness and accessibility in higher education.

- **Side:** Opposition to Restriction
 - **Topic Sentence:** College education should be accessible to all, regardless of prior performance.
 - **Developing:** Education is a fundamental right, and everyone should have the chance to improve their circumstances through learning.
 - **Rephrase:** Access to education should not be contingent on previous academic success.
 - **Collocations:** accessibility, fundamental right, education for all
-

Educational Access

- **Q:** Neo-W41
The discussion focuses on the significant impacts of online classes in education, with varying opinions on accessibility versus engagement.
 - **Side:** Accessibility of Online Classes
 - **Topic Sentence:** Online classes greatly enhance accessibility to education.
 - **Developing:** They eliminate commuting barriers and provide flexible schedules for students.
 - **Rephrase:** The availability of online courses significantly improves educational access.
 - **Collocations:** flexible schedules, reduced commuting, educational access, cost-effective education
-

Educational Inequality

- **Q:** Blue103
The debate centers around whether local communities should be allowed to attend university classes without participating in discussions or assignments.
 - **Side:** Opposition to Community Attendance
 - **Topic Sentence:** It may create an unequal educational experience for enrolled students.
 - **Developing:** Students who pay tuition and complete assignments deserve a more exclusive and supportive learning atmosphere.

- **Rephrase:** Enrolled students should have a more dedicated educational setting.
 - **Collocations:** educational inequality, tuition-paying students, exclusive access
-

Educational Materials

- **Q:** Blue195
The question analyzes whether a school's success is primarily influenced by its available resources like textbooks and journals.
 - **Side:** Importance of Resources
 - **Topic Sentence:** Access to quality resources significantly enhances educational outcomes.
 - **Developing:** Well-equipped schools can provide students with diverse learning materials that cater to different learning styles.
 - **Rephrase:** Having high-quality resources greatly improves student learning.
 - **Collocations:** educational materials, learning outcomes, student engagement
-

Educational Resources

- **Q:** Neo-W45
The debate centers around whether universities should prioritize funding for academic facilities like libraries or allocate equal resources to sports and athletic programs.
 - **Side:** Academic Facilities
 - **Topic Sentence:** Investing in libraries enhances academic success.
 - **Developing:** Libraries provide crucial resources for research and study, which are essential for students' educational growth.
 - **Rephrase:** Funding libraries significantly contributes to students' academic achievements.
 - **Collocations:** academic research, educational resources, student success
-

Engagement

- **Q:** Blue132

The question asks whether watching the news or reading the news is a better option, requiring an evaluation of the two methods of news consumption.

- **Side:** Watching the News
 - **Topic Sentence:** Watching the news is better because it provides a more engaging and interactive experience.
 - **Developing:** News programs often include interviews, videos, and live coverage, making the news more accessible and memorable.
 - **Rephrase:** Watching the news offers a more immersive experience.
 - **Collocations:** news programs, live coverage, video footage
-

Engaging Libraries

- **Q:** Blue108

The debate centers around whether libraries should maintain a quiet environment or incorporate social activities for students.

- **Side:** Social Activities in Libraries
 - **Topic Sentence:** Social activities can make libraries more engaging and relevant to students.
 - **Developing:** By hosting events, libraries can attract more visitors and encourage a vibrant atmosphere.
 - **Rephrase:** Events can increase library engagement and relevance.
 - **Collocations:** engaging libraries, vibrant atmosphere, attract visitors
-

Equal Access

- **Q:** Neo-S71

The debate centers around whether a university should close its computer lab due to the prevalence of personal laptops among students.

- **Side:** Keeping the Computer Lab Open
- **Topic Sentence:** The computer lab provides essential resources for students without personal laptops.
- **Developing:** Not all students can afford laptops, and the lab ensures equal access to technology for everyone.

- **Rephrase:** The lab guarantees that all students have access to necessary technology.
 - **Collocations:** equal access, essential resources, afford laptops
-

Equal Opportunities

- **Q:** Blue35

The debate centers around whether children born with talent should receive special treatment or be treated the same as their peers.

- **Side:** Equal Treatment for All Children
 - **Topic Sentence:** All children deserve equal opportunities regardless of their talents.
 - **Developing:** Treating children the same fosters inclusivity and prevents elitism in educational settings.
 - **Rephrase:** Every child should have the same chances, irrespective of their abilities.
 - **Collocations:** equal opportunities, inclusivity, preventing elitism
-

Diverse Perspectives

- **Q:** Neo-W92

The debate revolves around whether the democratization of news writing and broadcasting negatively impacts journalism and news consumers, as some argue that lack of professional training leads to misinformation, while others believe it enriches the diversity of viewpoints.

- **Side:** Positive Impact on Diversity of Voices
 - **Topic Sentence:** Increased access allows diverse perspectives to emerge.
 - **Developing:** Social media platforms enable underrepresented voices to share their stories, enriching public discourse.
 - **Rephrase:** Greater accessibility fosters a variety of viewpoints.
 - **Collocations:** diverse perspectives, public discourse, underrepresented voices
-

Access Inequality

- **Q:** Blue2

The question discusses whether schools should mandate student attendance at cultural events, such as art exhibitions.

- **Side:** Opposition to Mandatory Attendance
 - **Topic Sentence:** Not all students have equal access to cultural events.
 - **Developing:** Some students may face financial or logistical barriers that make attending these events difficult, leading to inequality.
 - **Rephrase:** Access to cultural events is not uniform for all students.
 - **Collocations:** access inequality, financial barriers, logistical challenges
-

Family Logistics

- **Q:** Neo-W112

The debate centers around whether school start times should be delayed for teenagers to accommodate their sleep patterns.

- **Side:** Opposition to Delayed Start Times
 - **Topic Sentence:** A later start time could complicate family logistics.
 - **Developing:** Many families have work schedules that require them to leave early, making it difficult for parents to manage their children's transportation.
 - **Rephrase:** Delaying school start times could disrupt family routines.
 - **Collocations:** family schedules, logistical challenges, parental responsibilities
-

Taxpayer Equity

- **Q:** Neo-W23

The debate centers on whether public transportation should be funded through tax revenue to provide free access to all citizens.

- **Side:** Against Free Public Transportation
- **Topic Sentence:** Not everyone utilizes public transportation, making it unfair to fund it through taxes.
- **Developing:** Many taxpayers may never use public transport, and forcing them to subsidize a service they don't use is inequitable.

- **Rephrase:** It is unjust to require non-users to pay for a service they do not benefit from.
 - **Collocations:** unfair funding, taxpayer equity, service utilization
-

Transportation

- **Q:** Neo-W108

The debate centers around whether governments should prioritize expanding roadways or improving public transportation in large cities to enhance transportation efficiency.

- **Side:** Improving Public Transportation
 - **Topic Sentence:** Public transportation improvements can enhance accessibility for all citizens.
 - **Developing:** A reliable transit system ensures that everyone, including those without cars, can access jobs and services.
 - **Rephrase:** Better public transport increases accessibility for the community.
 - **Collocations:** community access, job accessibility, social equity
-

Public Welfare

- **Q:** Neo-W44

The discussion focuses on strategies that city governments should prioritize to enhance the quality of life for residents, with differing views on infrastructure versus social programs.

- **Side:** Social Programs
 - **Topic Sentence:** Social programs benefit a wider range of residents than infrastructure alone.
 - **Developing:** While roads serve drivers, education and healthcare support the entire community.
 - **Rephrase:** Social initiatives provide broader benefits compared to infrastructure-focused investments.
 - **Collocations:** community support, universal access, public welfare
-

Internet Resources

- **Q:** Blue185

The debate centers around whether students today put in more effort in their studies compared to students from previous generations.

- **Side:** Students Work Harder Now
 - **Topic Sentence:** Access to information and resources has increased significantly.
 - **Developing:** The internet provides students with vast resources for research and learning, encouraging them to engage more deeply with their studies.
 - **Rephrase:** The availability of information has expanded learning opportunities.
 - **Collocations:** internet resources, research tools, learning opportunities
-

Learning Styles

- **Q:** Neo-S113

The debate revolves around whether libraries should primarily serve as quiet spaces for reading and studying or as social hubs for interaction and community engagement.

- **Side:** Quiet Libraries
 - **Topic Sentence:** Silence in libraries respects diverse learning styles.
 - **Developing:** Different people require various levels of quiet to absorb information effectively.
 - **Rephrase:** Maintaining silence accommodates various learning preferences.
 - **Collocations:** respect for silence, learning styles, effective studying
-

Legal Adulthood

- **Q:** Blue177

The debate centers around whether 18-year-olds possess the maturity required to participate in voting.

- **Side:** In Favor of Voting at 18

- **Topic Sentence:** Eighteen is a legal age of adulthood in many countries.
 - **Developing:** At this age, individuals can make significant life choices, such as joining the military or signing contracts.
 - **Rephrase:** Eighteen marks the transition to legal adulthood.
 - **Collocations:** legal adulthood, military service, contract signing
-

Local Expertise

- **Q:** Neo-W5
The debate centers around whether traveling in a group with a tour guide is superior to traveling solo or with a companion.
 - **Side:** Traveling with a Tour Guide
 - **Topic Sentence:** Tour guides provide valuable insights that enrich the travel experience.
 - **Developing:** They share historical context and local knowledge that travelers might miss otherwise.
 - **Rephrase:** Guides enhance understanding of the destination.
 - **Collocations:** local expertise, cultural insights, historical context
-

Online Access

- **Q:** Blue111
The debate centers around whether libraries will become obsolete due to technological advancements and the Internet, or if they will continue to be essential resources.
 - **Side:** Libraries Will Disappear
 - **Topic Sentence:** Convenience of online access is a major factor.
 - **Developing:** People prefer the ease of searching for information from home rather than traveling to a library.
 - **Rephrase:** Online access offers greater convenience than traditional libraries.
 - **Collocations:** online access, searching information, home convenience
-

Opportunities

- **Q:** Blue153

The statement suggests that power and money are the primary indicators of success.

- **Side:** Support for Power and Money as Success
 - **Topic Sentence:** Power and money often provide access to opportunities.
 - **Developing:** Individuals with wealth and influence can open doors that lead to personal and professional growth.
 - **Rephrase:** Wealth and authority can create pathways to success.
 - **Collocations:** access to opportunities, wealth and influence, personal growth
-

Opportunity

- **Q:** Blue156

The statement argues that college education should be restricted to individuals who have performed well in secondary school, raising questions about fairness and accessibility in higher education.

- **Side:** Opposition to Restriction
 - **Topic Sentence:** Restricting college education limits opportunities for diverse talents.
 - **Developing:** Many individuals possess skills and potential that may not be reflected in their secondary school grades.
 - **Rephrase:** Limiting access to college narrows the pool of diverse talents and perspectives.
 - **Collocations:** diverse talents, opportunity, potential
-

Parenting Support

- **Q:** Blue6

The question analyzes whether parenting is more challenging today compared to previous generations.

- **Side:** Advantages of Modern Parenting
- **Topic Sentence:** Access to information has improved parenting skills.

- **Developing:** Parents today can easily find resources and support online, enhancing their ability to raise children effectively.
 - **Rephrase:** Modern parents benefit from abundant resources.
 - **Collocations:** online resources, parenting support, information access
-

Personal Freedom

- **Q:** Neo-W96

The debate centers around whether suburban governments should remove helmet regulations for cyclists, weighing the benefits of freedom and convenience against safety concerns.

- **Side:** Freedom and Convenience
 - **Topic Sentence:** Removing helmet regulations enhances personal freedom for cyclists.
 - **Developing:** Cyclists can enjoy a more liberating experience without the burden of wearing a helmet.
 - **Rephrase:** Eliminating helmet laws allows for greater autonomy among cyclists.
 - **Collocations:** personal freedom, cycling convenience, autonomy in cycling
-

Product Comparison

- **Q:** Neo-W76

The debate centers around whether consumers should rely on advice from friends and family or seek information from online sources when making purchasing decisions.

- **Side:** Information from Online Sources
- **Topic Sentence:** Online platforms allow consumers to compare multiple products simultaneously.
- **Developing:** This capability can lead to better decision-making as consumers can weigh the pros and cons of various options side by side.
- **Rephrase:** The ability to compare products online enhances decision-making.
- **Collocations:** product comparison, weighing options, informed decisions

Product Diversity

- **Q:** Neo-S5

The debate centers around the preference for shopping in large shopping malls versus smaller shops.

- **Side:** Large Shopping Malls
 - **Topic Sentence:** Shopping in large malls offers a diverse selection of products.
 - **Developing:** Customers can find a variety of brands and items all in one place, enhancing convenience.
 - **Rephrase:** Malls provide a wide range of choices for shoppers.
 - **Collocations:** variety of stores, one-stop shopping, product diversity
-

Public Concerts

- **Q:** Neo-W114

The discussion focuses on effective strategies to promote traditional music, particularly classical music, to young adults who show declining interest in this genre.

- **Side:** Public Concerts
 - **Topic Sentence:** Hosting public concerts in accessible venues can introduce classical music to a wider audience.
 - **Developing:** By organizing concerts in places like shopping malls, we can provide spontaneous opportunities for young adults to experience classical music in a relaxed atmosphere.
 - **Rephrase:** Public concerts can make classical music more approachable for younger listeners.
 - **Collocations:** public concerts, accessible venues, casual settings
-

Quiet Environment

- **Q:** Blue108

The debate centers around whether libraries should maintain a quiet environment or incorporate social activities for students.

- **Side:** Quiet Libraries
 - **Topic Sentence:** A quiet library fosters an ideal environment for focused study.
 - **Developing:** Silence allows students to concentrate better, enhancing their learning experience.
 - **Rephrase:** A serene library setting promotes effective studying.
 - **Collocations:** focused study, enhanced learning, quiet environment
-

Technology Access

- **Q:** Blue111
The debate centers around whether libraries will become obsolete due to technological advancements and the Internet, or if they will continue to be essential resources.
 - **Side:** Libraries Are Always Necessary
 - **Topic Sentence:** Not everyone has equal access to technology.
 - **Developing:** Many individuals, especially in underserved areas, rely on libraries for internet access and educational resources.
 - **Rephrase:** Libraries bridge the digital divide for those without technology.
 - **Collocations:** equal access, underserved areas, educational resources
-

Inclusivity

- **Q:** Neo-W41
The discussion focuses on the significant impacts of online classes in education, with varying opinions on accessibility versus engagement.
 - **Side:** Accessibility of Online Classes
 - **Topic Sentence:** Online learning accommodates diverse student needs.
 - **Developing:** Students with disabilities or those living far from campus can participate more easily.
 - **Rephrase:** Distance learning caters to a wider range of student circumstances.
 - **Collocations:** disability support, remote learning, inclusivity, geographical barriers

Quiet Libraries

- **Q:** Neo-S113

The debate revolves around whether libraries should primarily serve as quiet spaces for reading and studying or as social hubs for interaction and community engagement.

- **Side:** Quiet Libraries
 - **Topic Sentence:** Libraries should be quiet places to promote concentration.
 - **Developing:** A serene environment allows individuals to focus better on their studies and reading.
 - **Rephrase:** A tranquil atmosphere enhances the ability to concentrate.
 - **Collocations:** quiet environment, focus on studies, reading concentration
-

Quiet Space

- **Q:** Blue108

The debate centers around whether libraries should maintain a quiet environment or incorporate social activities for students.

- **Side:** Quiet Libraries
 - **Topic Sentence:** Maintaining silence respects the needs of all library users.
 - **Developing:** Not everyone is comfortable with noise, and a quiet space accommodates diverse preferences.
 - **Rephrase:** A silent library caters to varied user needs.
 - **Collocations:** respect needs, diverse preferences, quiet space
-

Real-Time Information

- **Q:** Blue133

The debate centers around the preferred method of learning about current events, either through television news programs or through reading newspapers or online articles.

- **Side:** Television News Programs
 - **Topic Sentence:** Television news programs provide immediate updates on current events.
 - **Developing:** Viewers can receive real-time information, which is crucial during breaking news situations.
 - **Rephrase:** TV news offers instant coverage of events as they unfold.
 - **Collocations:** breaking news, live coverage, visual storytelling
-

Resource Access

- **Q:** Blue115
The debate centers around whether studying for exams at night or during the day is more effective for students.
 - **Side:** Studying during the Day
 - **Topic Sentence:** Daytime studying facilitates access to resources and support.
 - **Developing:** Students can easily reach out to teachers, peers, and libraries during the day for help.
 - **Rephrase:** Studying in daylight provides better access to educational resources.
 - **Collocations:** access to resources, peer support, educational assistance
-

Social Programs

- **Q:** Neo-W44
The discussion focuses on strategies that city governments should prioritize to enhance the quality of life for residents, with differing views on infrastructure versus social programs.
 - **Side:** Social Programs
 - **Topic Sentence:** Social programs are vital for addressing fundamental needs and improving overall well-being.
 - **Developing:** Investments in education, healthcare, and affordable housing tackle poverty and inequality.
 - **Rephrase:** Focusing on social programs is crucial for meeting essential community needs.

- **Collocations:** affordable housing, education access, healthcare services
-

Vehicle Alternatives

- **Q:** Neo-S73

The proposal suggests that car owners should pay an extra fee for vehicles that do not meet the city's environmental standards for air pollution.

- **Side:** Opposition to the Fee
 - **Topic Sentence:** There may be limited alternatives for those with non-compliant vehicles.
 - **Developing:** Not all car owners can easily switch to compliant vehicles due to financial or availability issues.
 - **Rephrase:** Many individuals might not have feasible options to replace their vehicles.
 - **Collocations:** vehicle alternatives, financial constraints, compliance issues
-

Source Credibility

- **Q:** Neo-S80

The statement discusses whether the growing variety of online resources complicates the search for reliable information.

- **Side:** Increased Difficulty in Finding Reliable Information
 - **Topic Sentence:** The vast amount of information can overwhelm users.
 - **Developing:** With so many sources available, individuals may struggle to discern which ones are credible.
 - **Rephrase:** The sheer volume of online content can confuse users.
 - **Collocations:** information overload, source credibility, reliable data
-

Student Feedback

- **Q:** Neo-W102

The question discusses the important considerations university administrators should take into account when deciding how to allocate funds for campus improvements.

- **Side:** Student Input
 - **Topic Sentence:** University administrators should prioritize gathering student feedback on campus improvements.
 - **Developing:** Students are the primary users of campus facilities, and their preferences can guide effective spending.
 - **Rephrase:** It's essential for university leaders to seek student opinions on enhancements.
 - **Collocations:** student feedback, campus improvements, user preferences
-

Student Privacy

- **Q:** Blue63
The debate centers around whether parents should have access to their children's grades without obtaining their permission first.
 - **Side:** Child Privacy
 - **Topic Sentence:** Children have a right to privacy regarding their academic records.
 - **Developing:** Allowing parents unrestricted access may lead to undue pressure and stress on the child.
 - **Rephrase:** Students deserve confidentiality concerning their grades.
 - **Collocations:** student privacy, academic confidentiality, pressure management
-

Student Safety

- **Q:** Blue112
The debate centers on whether female and male university students should reside in separate residence halls, exploring the implications for safety, social dynamics, and personal development.
 - **Side:** Support for Separate Residence Halls
 - **Topic Sentence:** Separate residence halls can enhance safety for students.
 - **Developing:** Having distinct living spaces reduces the potential for uncomfortable situations and harassment.

- **Rephrase:** Distinct living arrangements may improve student security.
 - **Collocations:** student safety, harassment prevention, comfortable living
-

Viewer Autonomy

- **Q:** Blue91

The debate centers around whether the government should impose restrictions on violence and bad language in television programs.

- **Side:** Opposition to Restrictions
- **Topic Sentence:** Viewers should have the autonomy to choose what they watch.
- **Developing:** Individuals are capable of making informed decisions about the media they consume.
- **Rephrase:** People should have the right to select their own viewing content.
- **Collocations:** viewer autonomy, informed decisions, media consumption
