- **Side:** Opposition to Power and Money as Success
 - **Topic Sentence:** Power can lead to corruption and unethical behavior.
 - **Developing:** The pursuit of power and money can sometimes result in negative consequences, undermining the true essence of success.
 - **Rephrase:** The quest for power may corrupt one's values.
 - **Collocations:** corruption, unethical behavior, negative consequences
-

Decision-Making

- **Q:** Blue158

The question explores preferences in decision-making speed, comparing quick decision-making to a more deliberate approach.

- **Side:** Deliberate Decision-Making
- **Topic Sentence:** Deliberate decision-making fosters confidence.
- **Developing:** When individuals take their time, they can weigh pros and cons, leading to greater assurance in their choices.

- **Rephrase:** Thoughtful decisions build self-assurance.
 - **Collocations:** confidence building, self-assured choices, risk assessment
-

Informed Choices

- **Q:** Blue158

The question explores preferences in decision-making speed, comparing quick decision-making to a more deliberate approach.

- **Side:** Deliberate Decision-Making
 - **Topic Sentence:** Taking time to make decisions can lead to better outcomes.
 - **Developing:** A thorough analysis of options often results in more informed and effective choices.
 - **Rephrase:** Careful consideration yields superior results.
 - **Collocations:** informed choices, thoughtful analysis, strategic planning
-

Informed Decisions

- **Q:** Neo-S81

The question analyzes the leadership styles of two candidates for a corporate leadership position, focusing on their decision-making approaches.

- **Side:** Consultative Decision Maker
 - **Topic Sentence:** Deliberate decision-making can lead to more informed and sustainable outcomes.
 - **Developing:** Taking time to gather diverse perspectives can minimize risks and improve decision quality.
 - **Rephrase:** Thoughtful decision-making results in better long-term solutions.
 - **Collocations:** informed decisions, sustainable outcomes, risk minimization
-

Informed Outcomes

- **Q:** Blue9

The debate centers around which candidate would make a better leader based on their decision-making styles: one who acts quickly or one who consults others before deciding.

- **Side:** Consultative Decision-Maker
 - **Topic Sentence:** Deliberate decision-making can lead to more informed outcomes.
 - **Developing:** Taking time to gather diverse perspectives can uncover potential risks and innovative ideas.
 - **Rephrase:** Thorough decision-making results in better-informed choices.
 - **Collocations:** informed outcomes, diverse perspectives, risk assessment
-

Plagiarism Risk

- **Q:** Neo-W103

The debate centers around whether the use of artificial intelligence in the writing industry should be encouraged or discouraged, considering the implications for originality and quality of content.

- **Side:** Discouragement of AI Use
 - **Topic Sentence:** The risk of plagiarism is a significant concern.
 - **Developing:** Text generators often do not properly attribute sources, leading to potential accusations of intellectual theft.
 - **Rephrase:** Concerns about plagiarism are paramount.
 - **Collocations:** plagiarism risk, intellectual theft, source attribution
-

Privacy Violation

- **Q:** Blue50

The debate centers around whether professors should permit students to record class lectures, weighing the benefits of accessibility against potential drawbacks.

- **Side:** Against Recording
- **Topic Sentence:** It may violate the privacy of both students and professors.

- **Developing:** Unauthorized recordings could lead to breaches of confidentiality and misuse of personal information shared during class.
 - **Rephrase:** Privacy concerns arise from unauthorized recordings.
 - **Collocations:** privacy violation, confidentiality issues, personal information
-

Quick Judgments

- **Q:** Neo-S24

The question explores whether first impressions provide significant insights into a person's character or if a deeper understanding requires more time.

- **Side:** First Impressions
- **Topic Sentence:** Quick judgments can be accurate in many cases.
- **Developing:** Research shows that snap judgments often align with long-term assessments of personality.
- **Rephrase:** Rapid evaluations can frequently reflect true character.
- **Collocations:** snap judgments, accurate assessments, true character
